

You won't hear his mother cry, either.

**Her husband said "You don't have a choice," the doctor said "Shut up," her friends said "Get over it."
A week after the abortion, she did. ... Suicide is 6x higher because nobody's listening.**

"[The abortionist] asked three nurses to hold me while he strapped me to the bed. I continued to scream that I didn't want an abortion. He told me, "Shut up and quit that yelling!" -Denise

"Friends and self-appointed do-gooders [advised my sister] to abort the baby ... She was crying as she entered the clinic, she cried throughout the procedure, and was sobbing as she left. Her three children are growing up without their mom because no one wanted to ask questions." -Julie, sister of suicide victim

"When I tried to confide in friends ... they shook their heads with disapproving looks.
It made me feel so alone, so weird." -Patty
